

MS&T'07[®]

Materials Science & Technology
2007 Conference and Exhibition

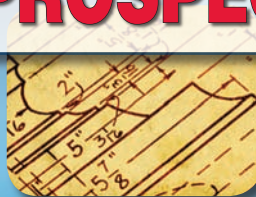

September
16-20, 2007
COBO Center
Detroit, Michigan

Organized by: **ACerS** (The American Ceramic Society) • **AIST** (Association for Iron & Steel Technology)
ASM (ASM International) • **TMS** (The Minerals, Metals & Materials Society)

**The Most Comprehensive Forum
for Materials Science and
Engineering Technologies**

EXHIBITION PROSPECTUS

Exhibition Dates: September 18-19

Co-located with the ASM Heat Treating Society Conference and Exposition!

www.matscitech.org

REASON #1 TO EXHIBIT:

MS&T is unique...developed by **four** different materials organizations...it draws **thousands** of decision makers from a cross section of industries to **one** location...and, as an exhibitor, you benefit from **3,200** attendees looking for real answers to their everyday materials challenges.

Plus, an expanded technical program in 2007, featuring nine themes, and co-location with the ASM Heat Treating Society Conference and Exposition, translates into increased traffic on the exhibition show floor.

Attendees at MS&T are searching for these products and services:

Consulting Services

Contract Research and Development Services

Manufacturing and Processing Equipment

- Ceramics
- Composites
- Glass
- Metals
- Plastics

Materials Suppliers and Related Services

- Biomaterials
- Ceramics
- Commercial Services
- Composites
- Engineered Materials
- Glass
- Metals
- Refractories
- Specialty Metals
- Superalloys

Materials Testing

- Analytical Testing Instruments
- Commercial Testing Services and Laboratories
- Consumables
- Materials Testing and Laboratory Equipment
- NDE Inspection Equipment
- Property Testing Equipment

National Laboratories and Consortia

Software Providers

Surface Engineering Services

- Auxiliary Thermal Spray Equipment
- Commercial Surface Treating and Coatings Services
- Surface Treating and Coatings Equipment
- Thermal Spray Equipment
- Thermal Spray Services or Businesses

Welding Services

REASON #2 TO EXHIBIT:

Each year, MS&T builds upon its success. The technical program and exhibition has grown in scope and size. Last year, **162** companies exhibited:

REASON #3 TO EXHIBIT:

Special Activities on the Exhibition Show Floor
Bring Prospects to You!

Industry Tracks

These practical presentations provide attendees with concrete solutions to problems they face at their jobs in industry and business. Sessions are scheduled on the show floor during both days of the exhibition and provide attendees with the opportunity to ask questions.

Happy Hour Reception

Scheduled from 5 to 7 p.m. on Tuesday, this well-attended reception allows for a relaxed atmosphere for attendees and exhibitors to mingle and mix business with pleasure!

Contests

Nothing draws a crowd more than prizes! Several contests are held on the exhibition show floor, such as the football toss – last year's prizes included a plasma television and iPods!

Lounge

This area is perfect for attendees to take a break, network and discuss business with exhibitors!
